Word from the President

Dear friends,

After several years of experience and success, our Master, classified "EXCELLENCE" by the French Judo Federation, is once again present on the national calendar.

Beyond our ability to organize a master's degree in the best conditions, it is to the Gardanne club, its leaders and its many volunteers that we owe this development. The strength of our Master lies in welcoming numerous judokas from the South-Eastern quarter of France and beyond but also the participation of the best veterans from PACA accustomed to this type of meeting.

As we also know how to do, a "health" village will accompany the competition. We will offer you advice, tests and awareness of everyday problems.

The 2024 edition therefore promises to be under the best possible conditions. I'm counting on your participation. Everything will be ready to welcome you in the best conditions.

Alain JULIEN

Président du C13 Judo
